### Facts to remember when scheduling First Year Students

1. **ALL First year students MUST fulfill:**
   - Faith Foundation – Bible:
     - BIBL 101 Biblical Literature
   - Students with at least two years’ study of Bible in high school and at least a B average in those courses may take a 200-level BIBL course for their IS requirement
     (Exclusions: BIBL 251 and 261)
   - Competency – Writing:
     - WRIT 101; ENGL 207; INTS 152, 153, 154, 155;
   - A student has fulfilled this requirement if he/she:
     - earned at least a 4 on AP English Language exam; OR
     - earned at least a 600 on Writing portion of the SAT.
     - earned at least 26 on Writing portion of ACT

2. **ALL First year students SHOULD fulfill:**
At least one HIST or PHIL course toward their Culture requirement:

- History – HIST 101 & 102*; HIST 103 & 104*; HIST 105, 220, 359, 360, 361, 362, 325, 326, 332, 230, 368, 223, 224, 249; INTS 152, or 153 * must take both
- Philosophy – INTS 152, 203; PHIL 202, 203, 243, 244, 245, or 246

3. Light Load is no more than 14 hrs during fall semester

4. Highlander:
   a. Does not put a light load student over their limit.
   b. Is finished before the academic year begins.
   c. Counts in the fall hours toward the 36 total when calculating for tuition-free Mayterm.
   d. Costs $600 additional tuition if the student has 19 hours for the fall term.
   e. There is also a $566 Highlander fee for food, equipment, and entrance fees

1. Part of retention is NOT overloading a First Year Student during the first semester.
   For those who are concerned that 14 hours the first semester will jeopardize their graduation:
   - 124 hours/4 years = 31 hours average per year
   - 31 hours/2 semesters = 15.5 hours per semester
   - Fall + Spring + May = Total
     - 14 + 14 + 4 = 32 (by the end of the first year, one is a sophomore)
     - 16 + 14 + 2 = 32 + 32 = 64 (by the end of the second year, one is a junior)
     - 15 + 15 + 2 = 32 + 64 = 96 (by the end of the third year, one is a senior)
     - 14 + 14 = 28 + 96 = 124 (by the end of the fourth year)
   This includes 3 tuition-free Mayterms for three hours each. No semester is over 15 hrs. It includes reaching a new classification each year. If a student takes more hours in the semesters, or transfers in summer work, college credit or AP before arriving, depending upon the major, a student might not need to take Mayterms (may depend on major).

   This is how the hours can work. A particular major may have additional constraints – certain pre-requisites or special courses needing to be taken at certain times. Some off campus programs may cause an alteration of the number of hours per semester.

   Students who change majors or do not follow the major program as designed by the department may find they cannot use this schedule. They may need more hours in a particular semester. Deciding upon certain majors later in the career may even involve needing additional hours.

2. Full-time students during both fall and spring semester are allowed up to 4 hours of tuition-free Mayterm if their Mayterm and previous fall, spring attempted hours do not exceed the maximum allowed under flat rate tuition charge (36 hours for 2010-2011). Highlander is counted in the 36 hours.

   Students are allowed to take the four hours in the following ways:
   - Option #1 - 1 class x 4 credit hours = 4 credit hours total
   - Option #2 - 2 classes x 2 credit hours = 4 credit hours total
   - Option #3 - (1 class x 1 credit hour) + (1 class x 3 credit hours) = 4 credit hours total
   - Option #4 - (2 classes x .5 credit hours) + (1 class x 3 credit hours) = 4 credit hrs total

   Trip exception rule: Sometimes a travel course occurs later in the summer rather than during the Mayterm period. Such courses may be taken without extra tuition except for the hours that would exceed 36 for the entire year unless the student has taken another course during the Mayterm period.

Facts to remember when building fall schedules for First Year Honor: East Meets West students who will be on Houghton campus during the next spring

1. The 15 credits they obtain during Spring and Mayterm from East Meets West will fulfill the following requirements:
   - Competency: Writing
   - Culture: History & Literature
   - Community: Political Science
   - Faith Foundation: Theology

   So the student does NOT take these courses during the fall.

2. Is any AP credit expected? If so, check the AP chart to see what credit would be granted depending upon their score.

3. Fall courses:
4. Since the 15 hours of the East Meets West program are spread over the spring semester and Mayterm, students are allowed to take another course during their spring semester on campus. In some cases (bio, chem., educ, physics, etc), students will need to take a major course in the spring. Some majors have a very specific sequence for the required courses, and if a class is not taken in the spring, students will be at a disadvantage the next fall. Students and advisors should investigate the requirements for the major to determine if a specific class is required in the spring.

**Facts to remember when building fall schedules for Science Honors students**

1. The credits they obtain during the first year from Science Honors will fulfill the following requirements:
   
   - Competency: Writing
   - Culture: History
   - Creation: Lab Science
   - Creation: Math
   - Community: Communication

   The credits they obtain during the Fall of the second year from Science Honors will fulfill the following requirements:
   
   - Culture: Philosophy

   So the student does NOT take these courses during the fall.

2. Is any AP credit expected? If so, check the AP chart to see what credit would be granted depending upon their score.

3. Fall courses:
   
   Biblical Literature or Advanced Bible
   
   A course for the major

   or

   Perhaps one of the following:
   
   - Integrative Studies Requirements
   - Foreign language--If the student tested into Level 2, he/she should take it to complete the requirement.
   - 2nd Community (not Communication)

**Facts to remember when building fall schedules for First Year Honor: Contemporary Contexts students who will be on Houghton campus during the next spring**

4. The 16 credits they obtain during Spring, Mayterm, and Fall 2013 Contemporary Contexts will fulfill the following requirements:
   
   - Competency: Writing
   - Culture: Literature, Art/Music, & Philosophy
   - Community: Political Science
   - Faith Foundation: Theology

   So the student does NOT take these courses during this fall.

5. Is any AP credit expected? If so, check the AP chart to see what credit would be granted depending upon their score.

6. Fall courses:
Biblical Literature or Advanced Bible
A course for the major
Perhaps one of the following:

- Science
- Mathematics
- Integrative Studies Requirements
- Foreign language--If the student tested into Level 2, he/she should take it to complete the requirement.

Since students will receive only 8 hours from the Contemporary Contexts program during the Spring, they will need to take at least one other 4-hour course during their spring semester on campus. In some cases (bio, chem., educ, physics, etc), students will need to take a major course in the spring. Some majors have a very specific sequence for the required courses, and if a class is not taken in the spring, students will be at a disadvantage the next fall. Students and advisors should investigate the requirements for the major to determine if a specific class is required in the spring.

**Facts to remember when building fall schedules for students planning on grad school**

It is important to register students for the appropriate Statistics course for their intended major.

**How Advanced Placement Scores May Grant Credit at Houghton College (revised June 2013)**

**ART**
- Studio Art score of 4 or 5 = 4 semester hours of non-major art
- Art History score of 4 or 5 = 4 semester hours of Art History credit (Art majors see department chair);
  
  fulfills Fine Arts IS requirement

**BUSINESS**
- Statistics score of 4 or 5 = Dept of Business & Economics grants 4 hours of Statistics credit

**ENGLISH**
- English Language and Composition score of 4 or 5 = 4 semester hours of Writing in the Liberal Arts;
  
  satisfies Writing Competency

- English Literature and Composition score of 4 or 5 = 4 semester hours of Writing in the Liberal Arts;
  
  satisfies Culture: Literature

*Should a student take both English AP exams, he/she would receive credit for both Writing in the Liberal Arts and Culture: Literature*
LANGUAGE
Language score of 4 or 5 = 4 semester hours of intermediate language;
   score of 3 satisfies Foreign Language Competency – no course credit granted
Language literature score of 4 or 5 = 4 semester hours of elective language credit;
   score of 3 satisfies Foreign Language Competency – no course credit granted

MUSIC
Music Theory score of 4 or 5 = 4 semester hours of MTH 225-226 Music Funds. & Musicianship Dev: Intro to Tonality

SCIENCE AND MATH
Calculus AB score of 4 or 5 = 4 semester hours of Calculus I;
   score of 2 or 3 satisfies Quantitative Literacy Competency – no course credit granted
Calculus BC score of 4 or 5 = 4 semester hours of Calculus I and 4 semester hours of Calculus II;
   score of 2 or 3 satisfies Quantitative Literacy Competency – no course credit granted
Biology score of 5 = 8 semester hours of General Biology
   score of 4= 4 hours of General Biology I or II (If pursuing a major in Biology, consult department chair)
Chemistry score of 5 = 4 semester hours of General Chemistry (1st semester)
   score of 4 = 4 semester hours of lab science – not General Chemistry I
Computer Science AB score of 4 or 5 = 4 semester hours of elective credit in Computer Science
Environmental Science score of 4 or 5 = 4 semester hours of Environ. Earth Sci. OR lab science
Physics C /Mechanics score of 4 or 5 = General Physics I
Physics C/ Mechanics score of 4 or 5 AND AP Physics C /Electricity & Magnetism score of 5 = General Physics I and II
Physics B score of 5 = 4 semester hours of General Physics I
Physics score of 4 = 4 semester hours of lab science – Not General Physics I

SOCIAL SCIENCES
World History score 5 = Meets IS History requirement. 3 semester hours of elective credit
American History score of 5 = Meets IS History requirement. 3 semester hours of elective credit
Human Geography score of 4 or 5 = 3 semester hours of elective credit
Economics MIC or MAC score of 4 or 5 = 4 semester hours of micro- or macroeconomics
European History score of 5 = Meets IS History requirement. 3 semester hours of credit
Government score of 4 or 5 = 3 semester hours of Community: POLS credit
Psychology score of 4 or 5 = 4 semester hours of Introduction to Psychology (meets 1 Community: PSY)

OTHERS
Statistics score of 4 or 5 = 4 semester hours of elective credit;
   score of 2 and up satisfies Quantitative Literacy Competency – no course credit granted

Occasionally, department chairs evaluate AP scores in other areas. Four semester hours of college credit are typically
granted for scores of 4 or 5.

Graduation Checklist

</tr>
<tr>
<td>Update your Degree Audit Sheet each semester.</td>
</tr>
<tr>
<td>Complete the Integrative Studies requirements</td>
</tr>
</tbody>
</table>
Complete your Major requirements
- Grades must be C- or better.
- Half of your credit hours in your major must be at Houghton College.

Complete your Minor requirements (if pursuing a Minor)
- Grades must be a C- or better.

Complete Concentration (if required)
- Grades must be a C- or better.

Complete a minimum of 93 hours of liberal arts courses for the BA degree, 62 hours for the BS degree, and 32 hours for the BMus or BFA degree.

Return your Diploma Order Form to the Academic Records Office by **November 1st** of your Senior year.

Complete a minimum of 124 hours (128 hours for a BMus degree).

Have a 2.0 grade point average or better.

Complete 30 credit hours at Houghton College.

Complete 18 of the last 24 credit hours at Houghton College.

**NOTES:**

- A student must complete at least one major. A minor is not required unless a specific major requires a specific minor.
- No more than 8 credits of Horsemanship may count toward graduation unless the student is a Recreation major with an Equestrian Studies option or is pursuing an Equestrian Studies minor.
- No more than 8 credits of ROTC or Theatre Workshop may count toward graduation.
- No more than 8 credit hours of Applied Music may count toward graduation for students who are not majoring or minoring in Music.

*For example: A student earning 12 Horsemanship credits will need 128 total credits in order to graduate unless majoring in Recreation – Equestrian Option or minoring in Equestrian Studies. OR a student earning 10 credits with ROTC will need 126 total credits in order to graduate.*

*** **Attention transfer students!** Make sure you have 62 hours from HC to receive graduation honors. In order to be eligible to be valedictorian or salutatorian, you must be a May grad, be full time in the Spring semester, and have earned a minimum of 90 Houghton College credits. ***
