SPIRITUAL LIFE

Houghton Wesleyan Church Prayer Vigil - We come to prayer not because we are worthy but because God is. We come to prayer not because we are good but because God is. We come to prayer not because we have things under control but because God does.

The prayer vigil is an invitation to come and honestly open our hearts and lives to our loving heavenly Father—the One who creates us, loves us, walks with us, desires life for us and meets us just where we are. However unworthy we may feel, the invitation is still the same. Come. Experience my grace. I am here. I am listening. I am working. Come.

Click here to make your reservation for the prayer room.

ADMINISTRATIVE & ACADEMIC

PLEASE REMOVE YOUR BIKE FROM THE BIKE RACKS AND TAKE IT HOME OR TO STORAGE BY THANKSGIVING BREAK! Snow removal season is upon us. To make this process easier for the Facilities staff, we ask that you please move your bike to the storage area for your residence hall or townhouse no later than Wednesday, November 21, or take it home. Contact your RD for access to bike storage. Bikes that remain on the racks after Nov. 21 may need to have the locks cut off and removed by Facilities or Security. Thank you for your cooperation.

MANRRS VOCA Mock Interview Workshop: On November 29th, MANRRS and VOCA are teaming up to help students in the next event of a series of Professional Development Workshops.

If you are considering grad schools, internships, jobs, or other professional pursuits in the next few years, the Mock Interview Workshop will help prepare you. Successful business owners and professors from Houghton will be conducting on-site 20-30 minute interviews with students to give useful feedback and experience.
If you want an interview experience to equip you with confidence and practice for the professional world, then email houghton.manrrs@gmail.com for more information. Don't miss out on this opportunity!

The Track & Field program is looking for student workers to help at our 4 events we are hosting throughout the Winter/Spring. The sign up to work these events will be done through a google document, in which you can add you name to a working slot. The shifts range from 4-8 hours, and thus a great way to make some extra money! If you'd like your name to be on our email list for working these events, please email Head Coach Patrick Hager at Patrick.hager@houghton.edu.

HOUGHTON Royal Family Kids Camp NEEDS YOU! You can make a week of summer camp possible for 52 deserving children from Allegany County who have substantiated personal histories of abuse or neglect. PLEASE consider your role in helping to make the 25th annual RFKC a reality on July 7 – 12, 2019! We need residential volunteers as well as behind-the-scenes volunteers to be the hands and feet of Christ as we step forward in faith to show God’s love to some really awesome kids. RFKC needs include:

Transportation and Storage Volunteers (non-residential) – Can you drive? Do you have a relatively strong back? RFKC is in need of volunteers to retrieve crafts, woodworking, drama and dress-up items and other supplies for use by campers during the week of camp. This is a HUGE NEED. It does not require being residential at camp.

Prayer Partner Coordinator (non-residential) – Can you make phone calls and send out emails? Do you pray? Each year, more than 100 individuals pray for our campers and staff during camp. Many of them faithfully serve in this role year after year. RFKC needs someone to oversee this process.

Counselors (residential) – Each individual counselor is assigned to come alongside two campers (ages 7-12) for the week. This is the “heart” of the RFKC ministry. It is a life-changing experience for the children and for the counselors. We need men and women of all ages (over 18) and from all walks of life!

Photographers and Videographers (residential) – Each camper receives a “memory book” filled with photos of them having fun at camp. At the end of the week, a video of the camp week is shared with the campers and their guardians. We don’t need a professional photographer or videographer, but if this is an interest or talent of yours, we need you! 🎥

Day-workers are also needed – if you want to share a woodworking or baking project or have another talent to share, we have a place for you as a day-worker at camp.

If God is calling you to get involved in RFKC, contact Nancy Murphy for more information at nancy.murphy@houghton.edu and/or (585) 376-4053.
