INTRODUCTION TO HOUGHTON

NOTE: *This handbook sets out matters of institutional policy and practice for Houghton Online students. As Houghton Online grows and develops, this information may be amended. Academic Standing and Regulations

Houghton College is fully accredited by the Regents of the University of the State of New York and by the Middle States Commission on Higher Education. The Middle States Commission on Higher Education, 3624 Market St, Philadelphia, PA 19104 (267.284.5000) is an institutional accrediting agency recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation. The most recent renewal of this status was awarded in 2015.

Houghton College Mission and Philosophy

Houghton College provides an academically challenging Christ-centered education in the liberal arts and sciences to students from diverse traditions and backgrounds and equips them to lead and labor as scholar-servants in a changing world.

The philosophy of Houghton College, an educational institution of the Wesleyan Church, builds on the concept of preparing individuals to become Christian scholar-servants who exhibit the scholar's passionate yet humble commitment to the Christian faith and to their chosen academic discipline, and the servant's qualities of serving enthusiastically and unselfishly wherever called. The indispensable characteristics of the scholar-servant are the *competence to serve* and the *willingness to serve*. To acquire the *competence to serve* the scholar-servant must develop effective skills in listening, reading, written and spoken communication, computation, problem solving, logical reasoning, and value discrimination. In addition, the graduate's cumulative knowledge must provide a solid foundation for life-long learning by a thorough grounding in one or more academic disciplines plus familiarity with fundamental concepts, principles, and methods of the basic fields of knowledge. Learning must also relate disciplines to each other and to life in ways that assist in making wise decisions and appreciating one's individual heritage while respecting cultural diversity and the integrity of creation.

To develop the *willingness to serve*, the scholar-servant must encounter positive models through life examples from Houghton's faculty and staff. Their reasoned faith must rest on sufficient knowledge of the Bible and its central doctrines to communicate Christianity effectively to others, and to produce a world view that infuses Christian truth into knowledge and experience.

To achieve its ideals, Houghton College will sustain a scholarly community of believers who confess the Lordship of Jesus and who actively seek truth and recognize its foundation in Christ. Because of the risks involved in educating the intellect and the character, the faculty and staff will strive to provide a challenging and stimulating environment which is also nurturing and supportive. The community will also be characterized by the historic distinctive of The Wesleyan

Church, including purity of heart and life, concern for justice in social issues, and unselfish stewardship of time and the material provisions of Creation.

History

In 1883, the Lockport Conference of The Wesleyan Methodist Church of America founded Houghton Wesleyan Methodist Seminary. The school, established largely through the efforts of Willard J. Houghton, began with elementary and academic departments in 1884 and added a department for training of ministers in 1888. The first college-level courses were offered in 1889, and by 1909, advanced standing was allowed to college students transferring to degree-granting institutions. From 1909 to 1923, three years of college level work were offered.

A provisional charter as a four-year liberal arts college was granted to Houghton in 1923 by the Regents of the University of the State of New York, and the first four-year baccalaureate degrees were awarded in 1925. Houghton received its permanent charter in 1927. In November 1935, the college was given full accreditation through admission to the Middle States Association of Colleges and Secondary Schools.

James Seymour Luckey, college president from 1908 to 1937, provided the leadership that led to Houghton's development as an academically strong and regionally accredited liberal arts college. Under Dr. Stephen W. Paine, president from 1937 until 1972, student enrollment grew to approximately 1100 and the college assumed control of the West Seneca Campus. Wilbur T. Dayton was president from 1972 until 1976; Dr. Daniel R. Chamberlain was then installed as president. His successor, Dr. Shirley A. Mullen, assumed the mantle of the presidency in May 2006. She is Houghton's first woman president.

Location

Houghton College's main campus is located in Allegany County on Route 19 in the hamlet of Houghton. It is about 65 miles southeast of Buffalo and 70 miles south of Rochester. This campus offers over 40 majors and programs, with approximately 80 full-time and part-time faculty members and approximately 1100 students.

Houghton College Online courses do not require a physical classroom presence. Course materials, assignments, and general information are delivered through the virtual classroom site, Moodle. This can be accessed by using the link

OTHER ACADEMIC POLICIES

Grading System

A series of letters is used in the grading of college course work as follows:

A	Excellent	(94-100%)
B	Good	(85-93%)
C	Average	(73-84%)
D	(65-72%)	Below minimum standards for Houghton Online
F	(Below 65%)	Below minimum standards for Houghton Online

A grade of below "C-" is not a passing grade in a major or minor course. The course must be retaken if the student receives a grade of below a C-.

Scholastic Honors

Houghton Online students are eligible for Scholastic Honors. Students must complete the following to be eligible for each honor:

- **President's List** – Recognizes students who complete a minimum of 12 hours with a 4.0 quality point average for the term – no incompletes allowed.
- **Dean's Honor List** – Recognizes students who complete a minimum of 12 hours with a quality point average for the semester of 3.75-3.999 – no incompletes allowed.
- **Dean's List** – Recognizes students who complete a minimum of 12 hours with a quality point average for the semester of 3.5 – 3.749 – no incompletes allowed.

Upon award, students will receive an official letter from the President's or Dean's office. Additionally, student names will be posted on the Houghton Online website and social media outlets.

Quality Point Average (QPA)

To derive a scholastic average for all of a student's courses each term, letter grades are assigned the following numerical equivalents:

	A = 4.000	A- = 3.667
B+ = 3.333	B = 3.000	B- = 2.667
C+ = 2.333	C = 2.000	C- = 1.667
D+ = 1.333	D = 1.000	D- = 0.667

These are multiplied by the credit hours for the course, then added together and divided by the number of credit hours carried. (*See example that follows*). A student in good standing must maintain a cumulative quality point average of 2.0. The QPA is calculated only on the course work taken at Houghton College. Only credit hours, not grades, are transferred in from other colleges.

An example:

Course	Hours	Grade	Value	Points
--------	-------	-------	-------	--------

Biblical Literature	3	B-	2.67	8.01
Fund of Mgmt	3	A	4.00	12.00
Diversity in the Workplace	3	B+	3.33	9.99
Business Writing	3	A	4.00	12.00
Statistics	3	A-	3.67	11.01
Leadership Development	3	B+	3.33	6.66
TOTALS	18			59.67

QPA (GPA) = 59.67 divided by 17 = **3.51** (*In this example, the student would qualify for the Dean's List.*)

Courses taken off-campus under Houghton College direction (cross registration) are considered to be work taken at Houghton College and grades will be recorded. For all other satisfactory off-campus coursework (i.e.: DSST, ELA), only a "P" grade can be recorded.

New York State Education Liberal Arts Requirement

This guidance is intended to assist institutions of higher education in New York State in meeting the requirements of the Rules of the Board of Regents, Section 3.47 (c), Requirements for Earned Degrees, Undergraduate degrees:

Undergraduate degrees shall be distinguished, as follows, by the minimum amount of liberal arts content required for each degree. The required liberal arts core shall not be directed toward specific occupational or professional objectives.

All other undergraduate baccalaureate degrees (BBA, BE, BFA, BPS, BTech, etc.)	1/4	30

Houghton College Online Programs offer four degrees (BS) or (BBA) in the Business degree areas, (BA) in Psychology, and (AA) in Liberal Arts. Students will be notified how many liberal arts credits are transferred from prior learning and earned via their major of choice. Note: This number will guide degree selection i.e. (BS) or (BBA) for Business students.

Degree completion plan worksheet

All eligible transfer credits are recorded on a Degree Completion Plan worksheet. Courses that fit General Education and Liberal Arts requirements are noted specifically and the total number of

credits recognized from each college is listed. A list of Houghton Online Programs courses to be completed is also included.

A preliminary work sheet is prepared as part of admission and provides the prospective students with a sense of how their transfer credits fit into Houghton Online Programs. It is revised and becomes the degree completion plan upon receipt of official transcripts and is used throughout the program to monitor student progress.

Final credit audit

A final evaluation of all credit is performed by Registrar's Office to assure that all requirements for the degree have been met. Total prior-learning hours, general education, liberal arts, and Houghton Online Programs courses are evaluated. This audit is the final certification for graduation.

COURSE DESCRIPTIONS

Detailed course descriptions and degree completion requirements can be found in the [Houghton College Academic Catalog](#).

Note- most host institutions prefer for you to first register/complete any non-matriculated student paperwork with their registrar's office BEFORE you submit the paperwork explained above.

There are several limitations to cross-registration and participation requires a form signed by Houghton officials. Check with your Academic Advisor to discuss the possibilities.

Military training

The American Council on Education (ACE) provides quality assurance and policy guidance for the Joint Services Transcript (JST) used by the Army, Marine Corps, Navy, and Coast Guard. More than 2,300 colleges and universities (to include Houghton College) recognize these transcripts as official documentation of military training and experiences and applicable ACE credit recommendations. Go to Joint Services Transcript to request a transcript and have it sent to: Houghton College Registrar's Office One Willard Avenue, Houghton New York 14744. Upon receipt of your transcript, your academic advisor can let you know how many transfer credits you have.

Credit by examination

Students who have acquired knowledge through self-directed research, a particular interest, or a hobby, may validate their college level learning through the DSST or CLEP testing programs. **NOTE that students may take a maximum of 32 semester hours of combined, DSST, CLEP, and Life Learning credits towards their degree. Priority is given for a student to enroll in an available Houghton Online course that will fulfill a requirements, utilizing DSST and CLEP as a secondary ONLY option.**

Passing scores differ depending on the test, but students who receive an adequate score are awarded the credits. There is a cost to take the tests and a per credit charge if the credits are earned and put on a Houghton College transcript. Study materials are available online or in local libraries. CLEP subject examinations are also accepted and may be available through your local community college.

Credit from Experiential Learning

Up to 24 semester hours of college credit can be awarded to a student who can validate that the knowledge gained through experiential learning is equal to that required for a college level course. College credit is not granted for the experience itself, but rather for the knowledge gained by means of experience. The Council for Adult and Experiential Learning (CAEL) lists seven major categories that potentially yield learning that qualifies for college credit in non-traditional degree programs such as Houghton Online Programs:

1. Occupation, including military
2. Volunteer work
3. Non-credit courses (i.e., workshops, seminars, in-services)
4. Travel
5. Recreation
6. Some Hobbies
7. Independent reading, viewing, and/or listening to and conversing with experts

Experiential learning credit is awarded when the evaluator is satisfied that the documentation gives evidence of college-level learning. Credits can then be officially recorded on the student's transcript.

Caution!

Students should check with their Academic Advisor before registering for any additional credits. Specific courses may be necessary or may not qualify for the credit needs of individual students.

REGISTRATION

Registration is automatic for students who remain in good standing with the college. Registration for subsequent terms **will be denied** if the student has an incomplete admissions file, a G.P.A. below 2.0 after two terms, two or more incomplete grades, incomplete financial aid documentation, or excessive account balance.

SCHEDULE

Houghton Online programs have several start dates throughout the academic year. Thus, admission to any program is on a rolling basis. A student may begin his/her studies at the next available course start date. The academic calendar is divided in to three semesters; these include fall, spring, and summer. Within each of these semesters, there are two modules. Each module is 8 weeks in length. Students are typically registered for two courses (3 credits each) within each module. Thus, in a semester, as there are two modules, students are registered for 12 total credits. Students may request to register for more than 12 credits by speaking with their academic advisor.

Termination from the College

A student who terminates his or her involvement with Houghton College is leaving without any plan for returning.

A student in good standing may terminate his/her involvement in Houghton College at any time by completing the Withdrawal Form found on the Houghton Online Students Portal site. The student must indicate on the form that they are terminating their studies at Houghton on the form and electronically submit their signature. Once the form is submitted, the student must have his/her financial record cleared by the Student Financial Services Office. No refunds will be made by the Student Financial Services Office until the registrar's office certifies that the termination procedure has been properly completed. Unless the Withdrawal Form is filed within three weeks, the student may forfeit the right to honorable dismissal, receive a grade of "F" in each remaining course in the term, and jeopardize potential readmission.

Houghton Online students who have terminated may be readmitted for the completion of their program. A re-application must be submitted along with a letter asking for re-admission must be written and submitted to the Admission Committee. The Committee will ascertain that all records were in order at the time of termination and decide upon readmission.

Withdrawal from a Course

A student who wishes to withdraw from a course must complete the Withdrawal Form found on the Houghton Online Students Portal immediately. This will inform the College of the student's personal situation and intentions to take that course at a future specified date. Withdrawing from a course may negatively affect financial aid. **Prior to withdrawing, the student must discuss the matter with his/her Academic Advisor.** Failure to complete the Withdrawal Form may result in no refund for the course. Students will be charged for the classes attended.

Disclosures and Student Complaints/Grievance Procedures Regarding Grades & Academic Matters

In order to resolve a dispute over grades, a grievance procedure has been established. The steps are:

1. Within the first two weeks after the grade is received by the student, the student will discuss the grievance with the instructor. If a grade inaccuracy is determined, the instructor will process a grade change request.
2. If agreement cannot be reached, the student should contact the instructor's Department Chair in writing within ten working days after the meeting with the instructor. If agreement is reached, a grade change request is processed.
3. If there is no agreement, or if the instructor is also the Department Chair, the student may appeal the decision to the Dean of Houghton College Online, **Dr. Marlene Collins-Blair** in writing within ten working days. The Dean will investigate and render a decision that shall be final.
4. If the decision is to reconsider the grade, the Dean shall, within 10 days, form a panel of uninvolved, tenured faculty from the instructor's department. (From a designated pool, the Dean, the instructor, and the student will each select one additional member for the panel.) The panel will review all appropriate material and determine the final grade within 30 days.

The panel may retain the original grade or assign a new grade (which may be higher or lower than the grade in question) and will inform the Registrar's Office, instructor, and student of its decision.

All Other Matters of Complaint

In order to resolve all other matters of dispute, including matters of the State Authorization Reciprocity Agreement (SARA), students may contact Dr. Marlene Collins Blair, Marlene.Collins@houghton.edu or Casey Conklin, Assistant Director of Student Success and Academic Services Casey.Conklin@houghton.edu. If a complaint is not resolved to the student's satisfaction, students may refer to the [New York State Office of College and University Evaluation](#) for instructions for filing a formal complaint.

State Authorization and Student Complaints about Delivery of Distance Education

Reauthorization of the Higher Education Act includes regulations regarding the delivery of distance education to out-of-state residents. The United States Department of Education (USDOE) requires that institutions comply with any applicable state approval or licensure requirements in each state to which distance education instruction is delivered.

Students have the right to file a complaint against an institution when these requirements are not followed or regarding the loss of tuition and fees as a result of unfair business practices. Institutions must provide both current and prospective students with contact information for filing complaints with its accrediting body and the appropriate state agency for handling complaints in a student's resident state.

If a student located in a [State Authorization Reciprocity Agreement](#) (SARA) state has a complaint about Houghton College Online, complaints must first go through the standard procedure for

resolution of student grievances (see above). If a student is not satisfied with the outcome of that process, a complaint involving allegations of fraudulent activity, including the provision of false or misleading information, may be brought to the [New York SARA portal entity](#). The SARA portal entity in the state where the student is located will be notified that the complaint was received and may assist as needed. Resolution of the complaint by the SARA portal entity in the institution's home state is final.

Examples of types of student complaints that may be brought to a SARA portal entity include, but are not limited to, complaints regarding accuracy of job placement data, tuition or fee information, accreditation, whether a program meets licensure requirements, or course transfer information. Grade appeals and student conduct appeals are not allowed under SARA.

Repeating a Course

Students can only repeat courses in which they received below a C-. When a course is repeated at Houghton, only the higher grade will count in the calculation of the cumulative average. The hours count only once. Both courses and both grades remain on the transcript with an indication of which course is counted.

Student Honesty, Cheating & Plagiarism

Honesty is the foundation on which all intellectual endeavors rest. To use the ideas of others without acknowledging the authors of those ideas belies the nature and purpose of academic life. At Houghton where we strive to live out Christian calling and commitment, personal integrity including academic honesty should be the hallmark of our work and relationships.

Students are expected to exhibit extreme care relative to personal honesty in all academic work, including in-class and out-of-class learning experiences such as exams, quizzes, journals, papers, research projects, etc. Dishonest work includes but is not limited to the following:

- Obtaining aid or information without giving due recognition to the sources from which the aid or information was obtained. Such dishonesty encompasses:
 - Asking to copy or copying other students' work to claim as one's own on an exam or assignment of any kind
 - All forms of plagiarism. Plagiarism includes using ideas, words, or phrases from any source without citing that source, as well as downloading or purchasing papers or parts of papers from others or from the World Wide Web and claiming such work as one's own.
- Giving aid or information when it is clearly inappropriate to do so, such as providing answers for an exam or writing a portion of a paper or an entire paper for someone, including the selling of one's work.

Faculty members are required to report all offenses to the Dean of Distance Education, Dr. Marlene-Collins Blair who will ensure that an appropriate record is kept. Students found guilty of intentional dishonesty will automatically receive a zero for that work and a lowered grade for the course. Student questions about appropriate collaboration on specific assignments should be addressed to the faculty member.

At the Dean's discretion, repeated offenses may result in failure of the course or dismissal from the college. Unauthorized use of college computing equipment, facilities, or programs may also be considered grounds for disciplinary probation, suspension, or dismissal from the college.

COLLEGE POLICY

Doctrinal Statement

As an evangelical Christian institution of higher learning, Houghton College ascribes to the following statement of religious belief.

We believe...

- That the Scriptures of the Old and New Testaments are fully inspired of God, and inerrant in the original writings, and that they are of supreme and final authority for faith and practice.
- That there is one God, eternally existing in three persons: Father, Son and Holy Spirit.
- That God created the entire universe including human beings by special operation of divine power.
- In the fall of Adam and Eve and the consequent sinful nature of all humanity which necessitates a divine atonement.
- In Jesus Christ as truly God and truly man, and in His virgin birth, His matchless teachings, His vicarious death, His bodily resurrection, and His promised second coming.
- That the foundation for all truth is found in the Lordship of Jesus Christ.
- In justification by grace through faith and in regeneration by the Holy Spirit, who makes the penitent believer a new creature in Christ and commences His lifelong sanctifying work.
- That the Christian may be filled with the Holy Spirit or sanctified wholly, as a definite act of divine grace wrought in the heart of the believer to take full possession, cleanse and equip for service on condition of total surrender and obedient faith.
- In the personal existence of Satan.
- In the bodily resurrection of the dead - of the saved to everlasting blessedness and of the lost to everlasting punishment.

Educational Rights and Privacy Act

This notice is to inform students of the Family Educational Rights and Privacy Act of 1974, as amended in 1988 and 1996. This Act, with which Houghton College intends to comply fully, affords students certain rights with respect to their education records. They are:

1. The right to inspect and review the student's education records within 45 days of the day the College receives a request for access.

Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The College official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the College official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student’s education records that the student believes is inaccurate or misleading.

Students may ask the College to amend a record that they believe is inaccurate or misleading. They should write the College official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate or misleading.

If the College decides not to amend the record as requested by the student, the College will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that FERPA authorizes disclosure without consent.

One exception which permits disclosure without consent is a disclosure to school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel and health staff); a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Board of Trustees; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Houghton College to comply with the requirements of FERPA.

The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
600 Independence Avenue, SW
Washington, DC 20202-4604

In accordance with the provisions of the Act, students may request that Houghton College not disclose information such as major(s), Dean’s list, other academic honors, and sports information such as height, weight, etc. Students wishing to prevent disclosure of Directory Information should indicate “no” on the Personal and Confidential Information Form.

Sexual Harassment Policy

Houghton College affirms that its students, faculty, and staff have the right to freedom from sex discrimination in the form of sexual harassment by any member of the academic community. In

providing an educational and work climate which is positive and discrimination-free, faculty, staff, and students should be aware that sexual harassment in the workplace or educational environment is unacceptable conduct and will result in disciplinary action.

Houghton's position against sexual harassment is thoroughly consistent with the overall mission of the college and its long-standing commitment to Christian values as presented in the Holy Scriptures. Sexual harassment transgresses holy law as well as constituting a form of illegal discrimination which is abhorrent to the college. Each member of the Houghton College community - administration, faculty, staff, and students - is obligated to adhere to this anti-harassment policy. It will be enforced against perpetrators who are current students or college employees.

Definition of Sexual Harassment

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when (1) submission to such conduct is made either explicitly and implicitly a term or condition of an individual's employment or participation in a college-sponsored educational program or activity; (2) submission to or rejection of such conduct by an individual is used as the basis for employment or academic decisions affecting such individual; or (3) such conduct has the purpose or effect of unreasonable interference with an individual's employment or academic performance or creation of an intimidating, hostile, or offensive working or educational environment.

Although it is impossible to delineate all prohibited behavior, the following may be of further help to students in defining sexual harassment:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature in which a faculty member, staff member or student intentionally uses the power inherent in the college-student relationship to threaten, coerce, or intimidate a person to accept such behavior or risk reprisal in terms of a grade, evaluation, or recommendation.

Students who believe they have been a victim of sexual harassment may confidentially discuss this with a member of the Houghton Online staff, if appropriate, or the Dean of Houghton College Online.

Nondiscrimination Policy

Houghton College admits students of any race, color, or national and ethnic origin to all the rights, privileges, programs, and activities generally accorded or made available to students at the school. It does not discriminate on the basis of sex, race, color, national or ethnic origin, or handicap in administration of its educational policies, admissions policies, scholarship and loan

programs, and athletic or other school-administered programs. The College is committed to compliance with Title IX of the Federal Education Amendments of 1972.

Drug Free Schools and Communities Act

Since its founding Houghton College has subscribed to a policy of abstinence regarding the use of alcohol and illicit drugs. The College supports both the letter and intent of the Drug Free Schools and Communities Act Amendments of 1989 (Public Law 101-226).

The college opposes the use of tobacco, illegal drugs, alcoholic beverages and behaviors which detract from one's Christian testimony. Houghton Online students are expected to refrain from the use of alcohol on campus or at social functions where the College's name is involved. Students are expected to attend classes and college functions unaffected by alcohol or illicit drugs.

Weapons Possession Policy

In accordance with New York State Penal Law Article 265 Section 265.01, it is a crime in New York State to possess a rifle, shotgun, air gun (including BB guns), spring gun, or other firearm when in the buildings or on the grounds of any school, college, or university, even if you have a valid New York State firearm permit.
