

ST. AUGUSTINE SCHOLARSHIP PROGRAM (2022–23)

HOUGHTON
COLLEGE

FREE ROOM FOR ALL 4 YEARS AND UP TO \$300 BOOK CREDIT

Houghton College will offer a free room (based on the lowest published residence hall double) for up to 4 years at Houghton College and will also offer \$300 each year in the form of a book credit for the purchase of textbooks through our Highlanders Shop.

Donors and friends of the College have generously provided \$5,446 to cover the cost of the room for the 2022-23 academic year. This amount will increase year over year for up to 4 years to maintain full coverage of the room cost (based on the lowest published residence hall double). It will appear on the financial aid package as a donor/friends of the College funded award. The book credit will remain \$300 a year.

Two (2) awards will be extended to the Class of 2022.

For this inaugural year of our partnership, Houghton College will also extend two additional awards for St. Augustine Alumni children attending any school (St. Augustine or another high school). This scholarship would be of the same value and follow the same terms, but only available to the children of St. Augustine alumni.

Two (2) awards will be extended to Class of 2022 St. Augustine alumni children.

This scholarship award is tied directly to an on-campus residence hall double living arrangement. If a student wants to stay in other campus owned housing at a later time as an upper-classmen (such as a townhouse), the student will be responsible for any differential beyond the published rate for a residence hall double. Continued eligibility for the scholarship is dependent on a student staying in campus housing.
