DIVISIONS

EQUITATION divisions are judged on the RIDER'S form, tact, accuracy, and ability to control the horse.

WALK-TROT/WALK-TROT-CANTER HUNTER Open to horses ridden by a Walk-Trot or Walk-Trot-Canter Equitation Rider only. Horses judged on manners, obedience, accuracy and gaits suitable for carrying a walk-trot/canter rider.

Starting with class 9, the LOW & SLOW division through the rest of the divisions; in order to enter a flat class, the horse (for hunter divisions) or rider (for equitation divisions) MUST enter the over fences classes as well. Competitors wishing to ride in flat classes only are directed to ride in classes 1-8.

JUMPER Jumpers are judged solely on their ability to jump clean, on course, and within the allowed time.

Fast & Clear-Table II Section 1 = "The first round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. Horses with clear rounds or equal faults are classified according to their time taken to complete the course." *USEF 2022 Jumper Division Rulebook*

Jump-Off-Table II Section 2B = The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. If a competitor has gone clear in the first round, the competitor will, without leaving the ring, upon an audible signal, commence the designated jump-off course. A competitor with a clear round may dismount, and with assistance if necessary, adjust tack and/or equipment; however, upon the audible signal to begin his/her round, the competitor is responsible to adhering to the 45 seconds rule as per JP137.3. In case of a fall of a Rider and/or Horse after crossing the finish line of the first round, the Rider/Horse combination may not continue to the jump-off, and will be placed according to their Score in the first round. A competitor who leaves the arena after a clear round (before or after the tone) will be considered to have withdrawn from the jump-off (exception JP138.1). If there are no clear rounds and a tie exists for first place, the results will be determined by the scores and time from that round. It is recommended that no more than twelve numbered obstacles be included in the first round when the class is scored under this table. *USEF 2022 Jumper Division Rule Book*
