

# CHURCH MATCHING SCHOLARSHIP FORM 2024-2025

**The Houghton Church Matching Scholarship is a tangible and practical way for the local church, in partnership with Houghton University, to maintain an active role during a critical time in the lives of their students.**

Houghton University will match dollar for dollar, up to a maximum of \$750 (\$375 per semester), for any student your church wishes to sponsor. The matching scholarship can help strengthen the ties and bonds between the student and his/her home church, and will help to supply the funds needed to make an education in a Christ-centered environment a reality. Please keep in mind that the gifts must be from the church and not money directly funneled from the parents.
