

Professional Licensure Disclosure

The Accounting MBA degree, when combined with a BS in Accounting from Houghton University, satisfies the CPA education requirements in New York State. The program is not approved to meet CPA certification requirements outside of New York state. While students outside of NY are invited to complete this program, applicants seeking certification in states other than NY should communicate with Mark Borchert, Dean of Management and Creative Arts, to ensure that the program meets CPA education requirements in the state in which you wish to become licensed.

Licensure Determinations for Other States

The MBA -- Accounting degree *is not* approved to meet certification requirements outside of New York State. While students outside of NY are invited to complete this program, applicants seeking certification in states other than NY should communicate with Dr. Mark Borchert (Mark.Borchert@Houghton.edu), Dean of Management and Creative Arts, to ensure that our program will satisfy licensure requirements in your state of residence.

Attestation

I acknowledge that I have been informed by Houghton University that the program I intend to enroll in is only designed to meet the educational requirements for licensure in New York State.
