

## Professional Licensure Disclosure

The Adolescent Education, M.A.T. degree leads to both initial and professional certifications in New York State in any one of the following content areas: Biology, Chemistry, Earth Science, English Language Arts, Mathematics, Physics, Social Studies or Spanish (7-12).

The Literacy Education, M.S.Ed. degree meets all state certification requirements in Literacy (All Grades) in New York State.

### New York State Licensure Determinations

The table below reflects Houghton University’s determinations **for students physically located in New York State**.

Program	Licensure Type	New York State Determination
Teacher Education Programs (e.g., Childhood Education, Adolescence Education, Inclusive Education)	Teacher Certification	<b>Meets</b> New York State educational requirements
Master of Science in Education (MSEd) Programs	Teacher Certification / Professional Certification	<b>Meets</b> New York State educational requirements
Master’s of Art in Teaching	Teacher Certification/Professional	<b>Meets</b> New York State educational requirements

**Note:** “Meets” indicates that the program’s curriculum satisfies the **educational requirements** for licensure in New York State. Additional requirements (e.g., examinations, background checks, supervised experience) are determined by the appropriate licensing authority.

### Licensure Determinations for Other States

The Adolescent Education, M.A.T. and Literacy Education, M.S.Ed. degrees **are not** approved to meet certification requirements outside of New York state. While students outside of NY are invited to complete this program, applicants seeking certification in states other than NY should communicate with Dr. Michele Vanasse (Michele.Vanasse@Houghton.edu), Dean of Education

and Social Science, to ensure that our program will satisfy licensure/certification requirements in your state of residence.

---

**Attestation**

I acknowledge that I have been informed by Houghton University that the program I intend to enroll in is only designed to meet the educational requirements for licensure or certification in New York State.
